## Service Project Hours Report Form

*This completed form should be emailed to the Community Service Chair (Mrs. Densmore, [heatherdensmore3@gmail.com](mailto:heatherdensmore3@gmail.com)), copying your Patrol Advisor or parent. You may also submit a paper form to Mrs. Densmore, Mr. Densmore or Mrs. Harris at a scout meeting after taking a picture for your records. Scouts should refer to their Scout Handbook to determine number of service hours required for advancement to a particular rank. A Scout may earn service hours by serving a school, religious or charitable organization, but not a private group or individual. A Scout may also earn service hours by working on another Scout's Eagle Project. Eagle candidates will submit your hours directly. Contact Mr. Hazel or Mrs. Chartier if you have questions about whether a particular project is acceptable for your service hours. Contact Mrs. Densmore if you have any questions regarding this form. Please submit forms within 30 days of completing your service. **\*\*Incomplete forms will NOT be processed.\*\****
